E. W. Klein & Co hires **Berend Morrison** as Project Manager/Inside Sales Engineer

ATLANTA, GA, February 8, 2017 – E. W. Klein & Co, provider of engineering equipment and technical problem solving, hired Berend Morrison. Mr. Morrison will provide project management, inside technical sales and application engineering for optimized specialty pumping and process equipment solutions.

Mr. Morrison has 19 years' experience in providing technical inside sales support for compressors, vacuum systems and pumping systems. Most recently he was Inside Sales Manager for a large distributor where he managed a team of application engineers.

“We are excited to have Mr. Morrison join our team of professionals,” said Kent Watkins, President of E. W. Klein & Co. “We did an extensive search to find the right person. His extensive knowledge, experience, and great personality were a great fit and will bring exactly what we were looking for.”

About E. W. Klein & Co
