

**E. W. KLEIN & COMPANY**  
*Engineered Equipment Since 1921*

## **Press Release:**

### **E.W. Klein & Company Welcomes Back Eddie Ostervold as Sales Engineer**

**Atlanta, GA, June 1, 2011** – E. W. Klein & Company, provider of engineered equipment and technical problem solving in the Southeast, announced that Eddie Ostervold again joined E.W. Klein & Co. as a Sales Engineer after an 11 year hiatus.

Mr. Ostervold previously worked for E.W. Klein & Co. from 1993-1999 and was very successful in the sales and engineering of NASH pumps for the hospital, poultry, and other general industrial markets. The Ostervold's have a long history with E.W. Klein & Co. as described by Eddie: "My Father, Jim Ostervold, sold Nash pumps with E.W. Klein & Co for 33 years starting in 1962 and retiring as President in 1995. . . . even my sister, Kathy Ostervold, sold Nash pumps at E.W. Klein for a few years before relocating to Kansas City . . .thus, in a way . . . it feels like returning home."

### **About E. W. Klein & Company**

Headquartered in Atlanta, Georgia, E. W. Klein & Company is the authorized representative for the finest manufacturers of process equipment and specialty pumps. Representing NASH since 1921, the firm has prospered over 90 years by having intimate knowledge and understanding of the equipment they represent. E. W.
