Customer Notification for Immediate Release

From: John Piazza, Senior Vice President
Alfa Laval - Process Technology Division

Alfa Laval Inc.
5400 International Trade Dr.
Richmond, VA 23231
USA
Tel: +1 804-222-5300
Fax: +1 804-545-0194
www.alfalaval.us

Alfa Laval's Process Technology Division is proud to announce the appointment of E.W. Klein as its industrial heat transfer representative servicing Alabama, Georgia (with exception of Richmond County) and the Panhandle of Florida. This appointment is effective July 1, 2015.

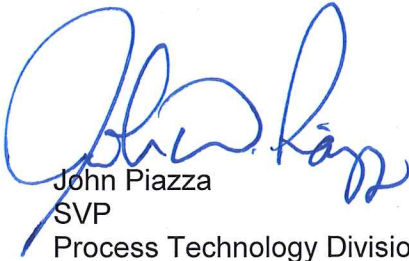

Many of you are likely aware of E.W. Klein as they have been servicing the industrial markets in the Southeast since 1921. E.W. Klein brings a long history of technical aptitude and a highly professional attitude and they are ready to serve this territory for all of your heat transfer opportunities.

Alfa Laval is a world leader within the key technology areas of heat transfer, separation, and fluid handling. With 18,000 employees in operations that serve customers in over 100 countries, Alfa Laval strives toward one mission: To optimize the performance of our customers' processes. Time and time again.

For more information contact:

Kent Watkins, President
E.W. Klein
kwatkins@ewklein.com
404-256-9200

Both Alfa Laval and E.W. Klein look forward to helping you solve your heat transfer challenges and optimize your processes.

John Piazza
SVP
Process Technology Division
